

HU

U-shaped electric lift table 1000 and 1500 kg

FEATURES

- Robust, reliable and very practical
- Bucher hydraulic electro-pump
- U-shaped low profile platform can be used without a pit or ramp (85 mm low folded height)
- Pallets can be placed directly on the U-platform using a hand pallet truck running between the scissors
- High reliability and long service life
- Ideal for palletizing or packing stations and easy load leveling and handling
- Push-button handle controller and dead man switch adapts easily to all industrial environments
- Lowering speed control valve
