

JE5215NC

High-lift electric pallet truck with automatic leveling

// ADVANTAGES

- Practical, robust, high performance
- Actual lifting capacity of 1500 kg, allowing loads to be transported and lifted to a height of 800 mm
- Fully electric lifting and lowering
- Low chassis minimizes risks and facilitates access
- Double cylinder for increased power
- Integrated charger, easy to use and practical
- Ergonomic tiller

	Reference - Model		JE5215NC
Features	Capacity	<i>kg</i>	1500
	Center of gravity	<i>mm</i>	600
Weight	Weight	<i>kg</i>	152
	Overall dimensions (LxW)	<i>mm</i>	1590 x 520
Dimensions	Lifting height	<i>mm</i>	800
	Height with forks lowered	<i>mm</i>	85
	Fork length	<i>mm</i>	1100
	External fork width	<i>mm</i>	520
Electrical system	Lifting time without/with load 800 kg	<i>s</i>	13 / 18
	Lowering time without/with 800 kg load	<i>s</i>	34 / 12
	Battery	<i>V / Ah</i>	12 / 70
	Built-in charger	<i>V / Ah</i>	12 / 10
